Johnson & Johnson WiSTEM2D Scholars Award Program

The [Women in Science, Technology, Engineering, Math, Manufacturing and Design \(WiSTEM2D\)](#) program aims to fuel development of female STEM2D leaders and feed the STEM2D talent pipeline by awarding and sponsoring women at critical points in their careers, in each of the STEM2D disciplines: Science, Technology, Engineering, Math, Manufacturing and Design. Johnson & Johnson is looking to identify global women leading in both their research fields and leading as mentors, to be a vision for girls and other women in STEM2D. This program limits UO's applications to one per discipline area. If you are interested in applying, please fill out the [notice of intent to submit](#) by **5:00 p.m. on August 1, 2023**. The deadline to apply is **September 30, 2023**.

National Science Foundation and Department of Science and Technology of the Government of India

The National Science Foundation and Department of Science and Technology of the Government of India have issued a [Dear Colleague Letter on Collaborative Research Opportunities](#). These guidelines aim to foster bilateral scientific cooperation between researchers and institutions from the United States and India, enabling groundbreaking advancements in research and innovation in all aspects of computing, communications, information science and engineering, advanced cyberinfrastructure, secure and trustworthy computing, and cyber-physical systems. U.S. investigators are encouraged to submit to NSF by the target dates of **August 15, 2023**, or **December 15, 2023**. Interested applicants may attend a webinar to be held on **July 11, 2023**. Event [registration](#) is required.

Sloan Research Fellowship (early-career)

The Alfred P. Sloan foundation has announced its 2023 cycle for the [Sloan Research Fellowships](#). This program is designed to support early-career, tenure-track faculty in chemistry, computer science, Earth system science, economics, mathematics, molecular biology, neuroscience, physics, or a related field that also has a teaching assignment. Each department is allowed to nominate up to three candidates. Please reach out to your Department Head as soon as possible if you are interested in being considered for this opportunity.
