

KNIGHT CAMPUS UNDERGRADUATE SCHOLARS PROGRAM - ESSAY QUESTIONS

Research Interests (500 words maximum)

The Knight Campus has six research focus areas:

1. Biomaterials: Functional Materials for Life
2. Medical Sensors and Devices
3. Protein Engineering and Synthetic Biology
4. Neural Engineering
5. Biomedical Artificial Intelligence
6. Regenerative Rehabilitation and Human Performance

Please select the research focus area that you find most interesting and explain your selection.

For more information about the six areas visit <https://knightcampus.uoregon.edu/research>

Candidate's Statement (500 words maximum)

Please describe why you are an excellent candidate for the program. The candidate's statement is your opportunity to:

- describe your academic, personal and career interests
- describe your relevant experiences
- highlight your achievements to date
- explain how participation in this program aligns with your interests and goals

Candidate's statement should be well-written, well-organized, reflective, thoughtful, and free of spelling and grammatical errors.
