Announcements

How to Apply for External Funding Training Video

If you are new to the university and are interested in applying to funding outside the institution to support your research, this [external funding training video](#) may help you understand some of the important steps that must be taken before applying to an external grant opportunity. Additional training videos and materials are available on the [Acquiring Funding and Writing Your Proposal Training webpage](#). In addition, [Research Development Services](#) is always available to answer questions and provide substantive feedback on your application.

Curated Pivot Searches

[Pivot](#) is a funding opportunities database of available external funding opportunities from federal, non-federal and international sponsors across all disciplines and is accessible to UO researchers using your Shibboleth login.

[Visit our Getting Started with Pivot page to learn more about using the powerful online funding database tool.](#) We will show you how to identify funding opportunities, save alerts for on-going searches, and identify collaborators.

[Arts and Humanities](#)

[Honors and Awards](#)

[Diversity, Equity, Inclusion](#)

[Natural and Behavioral Sciences](#)

[Education Research and Social Sciences](#)

[Technology, Math, and Data Sciences](#)

[Environment Related](#)

[Translational Opps](#)

[Graduate and Postdoctoral Grants](#)

[Training Programs and STEM Outreach](#)

Are you trying to secure funding for your research? We can help.

We encourage researchers to contact any of our staff members to discuss research goals, strategies and potential funding sources. [Email us to schedule an appointment](#) to discuss your research interests, or [visit our website](#) to learn more about RDS services.

**Office of the Vice President for Research and Innovation
