

DGA Quarterly Meeting

December 8, 2020

SPS Pre-Award Updates

1. Quick Reference Card (QRC): A current copy of the QRC can be accessed from the left-hand side bar of any EPCS record, or by visiting the link below:

https://research.uoregon.edu/sites/research2.uoregon.edu/files/2020-01/quick_reference.pdf

2. The current SPS Budget Templates can be accessed from the Budget Tab of any EPCS record or by visiting the link below:

<https://research.uoregon.edu/forms/internal-grant-forms>

3. QRC update (coming soon): GE insurance rate for Summer of 2021
4. SPS Budget Templates, and EPCS Budget Module update (coming soon): BRP Estimated Fringe Benefit Rates for Future Years is currently in process and should be updated very soon.
5. Further updates to the QRC, SPS Budget Templates, and the EPCS Budget module will be made during the remainder of FY21 (now through June, 2021, and in the first half of FY22 (July to December, 2021).
6. Reminder: For NIH, Senior Key Personnel and Fellows should have up-to-date Biographical Sketch and Other Support documents, and for NSF, up-to-date Biographical Sketch and Current Support documents, using the appropriate Approved Format. Documents in Approved Format can be updated using SciENccv (recommended) by visiting the link: <https://www.ncbi.nlm.nih.gov/sciency/>

NIH: NIH-Approved Biographical Sketch document and template may also be accessed at the link:

<https://grants.nih.gov/grants/forms/biosketch.htm>.

NIH: Other Support document: <https://grants.nih.gov/grants/forms/othersupport.htm>

NSF: NSF-Approved Formats for the Biographical Sketch: <https://www.nsf.gov/bfa/dias/policy/biosketch.jsp>.

NSF: NSF-Approved Formats for the Current & Pending Support:

<https://www.nsf.gov/bfa/dias/policy/cps.jsp>
