## Announcements

### Andrew Carnegie Fellows Program

The Carnegie Corporation of New York holds an annual request for nominations for the highly prestigious [Andrew Carnegie Fellows Program](#), which supports scholarship on predetermined, yet broad topics in the humanities and social sciences. In recent years, the [research topics](#) have consistently been: (a) strengthening US democracy, (b) technological and cultural creativity, (c) global connections and global ruptures, and (d) environments, natural and human. RDS anticipates that this year's funding themes will remain unchanged. Though this year's competition has not been announced yet, we encourage faculty to think about projects with a contemporary focus and broad public impact that may be suitable for this competition. Questions about this program should be directed to [Foundation Relations](#). Interested candidates should submit a [pre-proposal](#) for internal review by **August 31, 2021**, in order to be considered for nomination.

### NEH Summer Stipends

This is a reminder that internal competition to become one of two nominees for NEH Summer Stipend program for 2021 has an upcoming pre-proposal deadline of **August 4th**. Please submit your 3-page narrative and 2-page CV using this [form](#).
