Announcements

Defense Advanced Research Projects Agency (DARPA)

Defense Sciences Office is sponsoring a [Proposer's Day](#) to inform potential applicants about the Broad Agency Announcement for the In the Moment (ITM) program, which will take place on **March 18, 2022**. The ITM Program will research and develop technology to support building, evaluating, and fielding algorithmic decision-makers that can assume human-off-the-loop decision-making responsibilities in difficult domains, such as medical triage in combat. The registration deadline for this event is **March 11, 2022** at 10 a.m. PST or when capacity is reached, whichever comes first.

Donald and Delia Baxter Foundation Call for Proposals

The Donald and Delia Baxter Foundation is soliciting two proposals from the University of Oregon to support early career researchers in the biomedical sciences. The Baxter Foundation seeks to provide awards to promising researchers that serve as a stepping stone to their first major federal grant. Proposals that focus on molecular mechanisms underlying fundamental biological processes are of particular interest. Please contact [Foundation Relations](#) for more information. This is a [limited submission](#) opportunity. To be considered, please submit the [notice of intent to submit](#) **March 15, 2022**.
