**Announcements**

Funding Opportunities available during Fall (limited submission deadlines for Internal Sponsor and Office of the Vice President for Research and Innovation Opportunities)

---

**Funding for Translational and Entrepreneurial Risk**

The Office of the Vice President for Research and Innovation (OVPR) is pleased to announce the 2022-23 Funding for Translational and Entrepreneurial Risk (FTR) Program. This year, the FTR program will focus on the development of translational and entrepreneurial opportunities at the University of Oregon, with an emphasis on the commercialization of university-generated intellectual property. The program seeks to support innovative projects that have the potential to generate economic and social benefits for the state of Oregon and beyond. The program is open to all faculty, staff, and students at the University of Oregon. Applications are due by November 1, 2022. For more information, please visit the FTR Program website at [ovpr.uoregon.edu/funding/ftr](http://ovpr.uoregon.edu/funding/ftr).

---

**Limited Internationally Coordinated Submissions**

The Warren Alpert Foundation Distinguished Scholar Awards for 2023 are now accepting applications. The awards are designed to provide support for distinguished scholars who are conducting research in the United States and who have the potential to make significant contributions to the advancement of knowledge in the sciences. The awards are open to all fields of science, including the natural sciences, social sciences, and humanities. Applications are due by October 1, 2022. For more information, please visit the Warren Alpert Foundation website at [warrenalpertfoundation.org](http://warrenalpertfoundation.org).

---

**Leveraging Diversity Across the Clinical Trial and Research Ecosystem**

The Office of the Vice President for Research and Innovation (OVPR) is pleased to announce a series of webinars and workshops focused on leveraging diversity across the clinical trial and research ecosystem. The webinars and workshops will cover a range of topics, including the importance of diversity in clinical trials, the role of diversity in research design, and the impact of diversity on research outcomes. The webinars and workshops are open to all faculty, staff, and students at the University of Oregon. For more information, please visit the OVPR website at [ovpr.uoregon.edu](http://ovpr.uoregon.edu).

---
