Curated Pivot Searches

If you have a specific area of interest and want to find external funding opportunities from Pivot, our curated search option is available. External funding opportunities are from the University of Oregon and are available for researchers and students in all disciplines.

Am I trying to secure funding for my research? We can help.

We encourage researchers to contact any of our staff members to discuss research on grants, research strategies, or budgeting. We provide assistance in searching for external funding opportunities, writing proposals, and managing awards. We also offer training and workshops on proposal writing and research management.
