American Psychological Association (Division Research Awards)

The Division of Research Awards of the American Psychological Association announces an annual competition for dissertation research funding through the APA Dissertation Research Award. The Division of Research Awards of the American Psychological Association sponsors an annual competition for dissertation research funding through the APA Dissertation Research Award. This award is open to all graduate students in psychology and social sciences. The award is designed to support research that has the potential to contribute to the development of new theories and methodologies in psychology and social sciences. The award is capped at a maximum of $5,000 per year. Applications are due by January 1, 2023. For more information, please visit the APA website.

Diversity, Equity, and Inclusion Opportunities

American Psychological Association – Andrew W. Mellon Foundation Native American Scholars Initiative

Graduate and Postdoctoral Grants announcements and solicitations that RDS staff identify as broadly interesting to the UO research community. All TTF faculty, NTTF research faculty, and graduate students at the University of Oregon automatically receive this email. Why am I receiving this email?

We encourage researchers to contact any of our staff members to discuss research goals, strategies and potential funding sources. We can help.

Are you trying to secure funding for your research? We can help.

Curated Pivot Searches

We will show you how to identify funding opportunities, save alerts for on-going searches, and identify collaborators.

Visit our Getting Started with Pivot page to learn more about using the powerful online funding database tool.
