Announcements

Reminder - Strategies for Success: Getting Digital Project Funding from the National Endowment the Humanities

The National Endowment for the Humanities (NEH) is an independent federal agency and one of the largest funders of humanities programs in the United States. The NEH offers numerous grant programs across its divisions that fund digital humanities projects. Want to learn more? Join NEH Program Officer Dr. Meaghan Brown and faculty colleagues from around Oregon in a virtual workshop on **February 3, 2023 from noon to 1:30 p.m. PT**, which will conclude with a Q&A session. You'll learn more about the variety of ways that NEH can support your digital humanities projects and strategies for preparing a successful application. Please register for the event by **February 1, 2023**, and you will receive access information prior to the event. Please contact Research Development Services if you have questions or need additional information.

Research Development & Grant Writing News

Research Development Services provides institutional access to the Research Development & Grant Writing News by Academic Research Funding Strategies, LLC. Faculty and students may access each monthly newsletter using a UO login and password. Download the latest edition.

This month's highlights:
* Advice and Resources for your NSF MRI Proposal
* Give a Wide Berth to Potential Plagiarism
* The First Response to a BAA is Often a White Paper
* Too Much "Why" and Not Enough "How"

Curated Pivot Searches

Pivot is a funding opportunities database of available external funding opportunities from federal, non-federal and international sponsors across all disciplines and is accessible to UO researchers using your Shibboleth login.

Visit our Getting Started with Pivot page to learn more about using the powerful online funding database tool. We will show you how to identify funding opportunities, save alerts for on-going searches, and identify collaborators.

Arts and Humanities	**Honors and Awards**
Diversity, Equity, Inclusion	**Natural and Behavioral Sciences**
Education Research and Social Sciences	**Technology, Math, and Data Sciences**
Environment Related	**Translational Opps**
Graduate and Postdoctoral Grants	**Training Programs and STEM Outreach**

Are you trying to secure funding for your research? We can help.

We encourage researchers to contact any of our staff members to discuss research goals, strategies and potential funding sources. Email us to schedule an appointment to discuss your research interests, or visit our website to learn more about RDS services.
