## Announcements

### Last Chance - Grant Writing Workshop Opportunity for Faculty and Support Staff

The University of Oregon, Oregon State University, and Portland State University are hosting a virtual workshop, *Planning and Writing Successful Grant Proposals*, presented by Dr. M. S. AtKisson and Dr. Amanda Welch of the highly regarded [AtKisson Training Group](#). The workshop is **May 25 & 26 from 9 a.m. to 1 p.m.** on both days. Participants will learn about the fundamental concepts of proposal planning and writing backed by concrete tips and operational strategies that support planning and longer-term sustainability. Faculty members and support staff from all disciplines are invited to attend. Note that spaces are limited for this event, and the cost per participant is \$50 for workshop materials. The registration deadline is **March 15, 2023**. If you have any questions about this workshop after reviewing the [registration form](#), please send them to [Research Development Services](#).

### M.J. Murdock Charitable Trust Commercialization Initiation Program

The [M.J. Murdock Charitable Trust](#) has invited the UO to participate in its ninth round of the [Commercialization Initiative Program](#), which supports the commercialization of discoveries in science, engineering, and medicine. Note that the Commercialization program is a limited submission opportunity. The UO may only submit one proposal per funding cycle. Interested applicants should contact [Foundation Relations](#) and submit a [notice of intent to submit](#) by **April 10, 2023, by 5:00 p.m.**

### Pew, Searle, Mallinckrodt Pre-Proposals

The [Pew Biomedical Scholars Award](#), [Searle Scholars Award](#), and the [Mallinckrodt Grant](#) provide funds to early-career investigators engaged in biomedical research. These programs are limited submissions and must run through an internal UO process to determine nominees. We anticipate receiving institutional invitations to nominate one scholar each for Pew and Mallinckrodt and two for the Searle award. Please submit a [pre-proposal](#) by **April 17, 2023, by 5:00 p.m.**

### Fulbright Competition and Webinar Announcement

The Institute of International Education has launched the 2024-25 [Fulbright U.S. Scholar Program](#) competition, which offers 400 unique awards for U.S. citizens to teach, research, and conduct professional projects in more than 130 countries. The deadline for application submission is **September 15, 2023**. Faculty and staff interested in learning more about the traditional Scholar Award among other opportunities (Global Scholar, Public Policy Fellowship, Arctic Initiative, and Amazonia) may join their peers from around Oregon for a virtual presentation featuring Fulbrights Jordanna Enrich, Director of the U.S. Scholar Program, on **April 7, 2023, at noon**. [Registration](#) is required for this online event. Questions about the webinar should be directed to [Debra Clemans](#), Director of Fulbright/Boren Programs, at Portland State University.

## Internal Funding Opportunities

### Center for the Study of Women in Society

[Research Interest Groups](#)

**Application Deadline: May 1, 2023**

### Office of the Vice President for Research and Innovation

[Incubating Interdisciplinary Initiatives](#)

**Mandatory Notice of Intent to Submit Deadline: March 27, 2023**

**Application Deadline: May 1, 2023**

## Limited/Internally Coordinated Submissions

### Microsoft

[Research PhD Fellowship](#)

*This is an institutionally coordinated application. Each department may nominate up to four candidates with some special parameters defined by the guidelines. If you are interested in being nominated for this opportunity, contact the head of your department.*

**Nomination Deadline: May 10, 2023**

### National Institutes of Health

[Basic Instrumentation Grant \(BIG\) Program \(S10 Clinical Trial Not Allowed\)](#)

[High-End Instrumentation \(HEI\) Grant Program \(S10 Clinical Trial Not Allowed\)](#)

### The Conference on Latin American History

[Bolton-Johnson Book Prize](#)

**Nomination Deadline: June 1, 2023**

## Curated Pivot Searches

[Pivot](#) is a funding opportunities database of available external funding opportunities from federal, non-federal and international sponsors across all disciplines and is accessible to UO researchers using your Shibboleth login.

[Visit our Getting Started with Pivot page to learn more about using the powerful online funding database tool.](#) We will show you how to identify funding opportunities, save alerts for on-going searches, and identify collaborators.
