Funding Opportunities for COVID-19 research

The Office of the Vice President for Research and Innovation has a research COVID-19 FAQ page with excellent resources regarding research, including streamlined funding opportunities related to COVID-19.

National Science Foundation’s RAPID Announcement

On June 1, 2020, NSF will implement the Proposal and Award Policies and Procedures Guide (PAPPG) (NSF 20-1) for proposals submitted or due on or after this date. But, NSF has made the decision to delay the implementation of NSF-approved formats for the biographical sketch and current and pending support sections of NSF proposals until October 1, 2020. NSF will continue to implement all other changes to the PAPPG beginning June 1, 2020.

National Institutes of Health - Late Policy on Targeted Proposals

NIH’s National Institute on Aging has announced a Late Application Policy for NIA-specific FOAs with application due dates in May, June, and July. Late applications will be accepted by 5:00 PM local time up to two weeks after the application due date for the NIA-specific FOA listed on the webpage.
