Announcements

Funding Opportunities for COVID-19 Research
The Office of the Vice President for Research and Innovation has a research COVID-19 RDS page with detailed resources regarding research, including approved research activities.

Institute of Education Sciences Funding Opportunities
You can find a list of the Institute of Education Sciences (IES) grant opportunities. Please note, the IES funding opportunities for FY 2021 are not yet available.

Limited/Internally Coordinated Submissions

Bureau of Justice Assistance
Note: The Bureau of Justice Assistance (BJA) is a grant-giving body. BJA is inviting proposals under the Byrne Formula Grant Program (Byrne CG Grant Program) to be submitted by the internal deadline.

National Institutes of Health
Note: The National Institutes of Health (NIH) is a grant-giving body. NIH is inviting proposals under the NIH Director’s Early Independence Awards Program to be submitted by the internal deadline.

Oregon Department of Veterans Affairs
Note: The Oregon Department of Veterans Affairs (ODVA) is a grant-giving body. ODVA is inviting proposals under the STOP School Violence Program to be submitted by the internal deadline.

Featured External Opportunities

Institute of Education Sciences
Note: The Institute of Education Sciences (IES) is a grant-giving body. IES is identifying numerous funding opportunities from federal, state, and international organizations. As a service, the IES is providing a limited submission list of these funding opportunities.

Honors and Awards

Oregon State University
Note: Oregon State University (OSU) is an educational institution. OSU is inviting proposals under the OSU Alumni Association Awards Program to be submitted by the internal deadline.

Curated Pivot Searches

Find a curated list of funding opportunities categorized by discipline. If you've never used Pivot before, we encourage you to try it now.

Are you trying to secure funding for your research? We can help.

We encourage researchers to contact any of our staff members to discuss research goals, strategies and potential funding sources.
