Curated Pivot Searches

[Pivot](#) is a funding opportunities database of available external funding opportunities from federal, non-federal and international sponsors across all disciplines and is accessible to UO researchers using your Shibboleth login.

Visit our [Getting Started with Pivot](#) page to learn more about using the powerful online funding database tool. We will show you how to identify funding opportunities, save alerts for on-going searches, and identify collaborators.

NOTE: These curated reports can only be accessed while you are on the UO network or using a UO VPN. If you receive an authorization error, please clear your browser's cache and cookies, and then try again. Please see the "Connecting to UO VPN" for more information about using the UO VPN.
