Funding Opportunities for COVID-19 Research

The Office of the Vice President for Research and Innovation has a research [UO COVID 19 FAQ](#) page with excellent resources regarding research, including specialized funding opportunities related to COVID-19.

National Science Foundation Dear Colleague Letter: Career-Life Balance (CLB) Supplemental Funding Requests

[This Dear Colleague Letter \(DCL\)](#), NSF draws attention to the opportunity for supplemental funding to help researchers, who are confronted with a short-term increase independent care responsibilities, ensure that the research activities supported by an NSF award can continue. Career Life Balance supplements to existing research awards may be requested for the following purposes:

* To support additional personnel (e.g., a technician or research assistant) to sustain research when the PI, co-PI, or other members of the Senior Personnel is on family leave for primary dependent care responsibilities and other direct family considerations; and

* To support additional personnel (e.g., a technician or research assistant) to sustain research while a postdoctoral researcher or graduate student being supported by NSF on the award is on family leave for primary dependent care responsibilities and other direct family considerations.
