An Introduction to Honors and Awards for Early Career Faculty
Research Development Services (RDS) welcomes faculty to attend the workshop, An Introduction to Honors and Awards for Early Career Faculty, on February 23, 2021 at 2 pm. The workshop will be presented by RDS staff who can answer your questions and help identify opportunities. 

Announcements
Funding Opportunities for COVID-19 Research and Vaccine Development
The NIH recently launched its new COVID-19 website, which provides a central location for researchers seeking to identify, find, and apply for funding opportunities related to COVID-19. The website includes information about opportunities, including the following:

- COVID-19 Therapeutics
- COVID-19 Vaccine Research
- COVID-19 Prevention
- COVID-19 Education and Social Science
- COVID-19 Diagnostics

Diversity, Equity, and Inclusion Opportunities
Newsflash - Celebrating Women in Research
To celebrate and honor the remarkable achievements of women in the academic and research community, the Office of the Vice President for Research and Innovation is hosting a virtual celebration on March 8, 2021. The event will feature keynote speakers, panel discussions, and networking opportunities. Please visit our website for more information.

Featured External Opportunities
Endangered Language Fund
Applications are now being accepted for the Language Legacies Grant Program. This program supports the documentation and preservation of endangered languages. Applications are due by March 19, 2021.

Honors and Awards
American Academy of Arts and Sciences
The American Academy of Arts and Sciences recently announced the 2021 class of Fellows. The Academy selects Fellows based on their contributions to scholarship, public service, or the arts. The 2021 class includes 95 new members, bringing the total number of Fellows to 4,925. 

Curated Pivot Searches
We have generated a list of funded research by state, institution, Congressional district, and more. The list is available in Pivot, our online training program. To view the list, visit our website.

Limited/Internally Coordinated Submissions
National Science Foundation
The National Science Foundation has launched its new COVID-19 website, which provides a central location for researchers seeking to identify, find, and apply for funding opportunities related to COVID-19. The website includes information about opportunities, including the following:

- COVID-19 Therapeutics
- COVID-19 Vaccine Research
- COVID-19 Prevention
- COVID-19 Education and Social Science
- COVID-19 Diagnostics
