Research Development Services

Research Development Services

Research Development Services is hosting a workshop on the National Science Foundation (NSF) Faculty Early Career Development (CAREER) Program on May 11, 2021. CAREER is a Foundation-wide activity that offers the NSF’s most prestigious awards in support of early-career faculty who have the potential to serve as academic role models in research and education and to lead advances in the frontiers of disciplines supported by the NSF. The workshop will be held from 12 pm to 1 pm.
